

2024 The 2nd International Conference on Signal Processing and Intelligent Computing (SPIC 2024)

Time: September 20-22, 2024

Venue: Guangzhou, China

Invitation of SPIC 2024

Dear Prof. Ata Jahangir Moshayedi,

2024 The 2nd International Conference on Signal Processing and Intelligent Computing (SPIC 2024) will be held on September 20-22, 2024 in Guangzhou, China.

SPIC 2024 aims to bring together innovative academics and industrial experts in the field of Signal Processing and Intelligent Computing to a common forum. The primary goal of the conference is to promote research and developmental activities in the related fields, and another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working all around the world. The conference will be held every year to make it an ideal platform for people to share views and experiences.

We sincerely invite you to be the **keynote speaker of SPIC 2024**. You are expected to **give a keynote speech** during the conference.

Looking forward to your participation! It would be our great honor if we can have you on this conference.
