

ICBEPS 2024

9th International Conference on Biomedical Engineering
and Pharmaceutical Sciences (ICBEPS2024)

Kind Invitation to be the Technical Committee Membe of the conference ICBEPS2024

Dr. Ata Jahangir Moshayed
Jiangxi university of science and technology

On behalf of the Organizing Committee, it is my pleasure to extend an invitation to you to serve as the Technical Committee Member of the upcoming 9th International Conference on Biomedical Engineering and Pharmaceutical Sciences (ICBEPS 2024). The event will be held during June 7-9, 2024 in Singapore with a hybrid format. We understand that attending an offline conference may be challenging, and we do also offer online presentation opportunities for you.

ICBEPS2024 aims to promote scientific information interchange between researchers, developers, engineers, students and practitioners working in and around the world. We warmly welcome you to submit your research to ICBEPS2024, and share the valuable experiences with other participants. For more information, please visit our website: <http://www.icbeeps.org/>

We would be honored if you could contribute to this event by serving as the Technical Committee Member. Your prompt reply with an updated short bio would be highly appreciated. We are confident that you would find the conference as well as your visit to Singapore next summer both valuable and enjoyable.
